

United Way
Niagara

Improving lives across Niagara every day

Imagine a Niagara where everyone is taken care of.

A Niagara where no one is hungry and every family has a safe place to call home. Imagine a community where every person has what they need to reach their full potential.

This is our vision and you can help make it happen.

Our investments meet immediate, **basic needs** and **long-term solutions** to Niagara's biggest social issues.

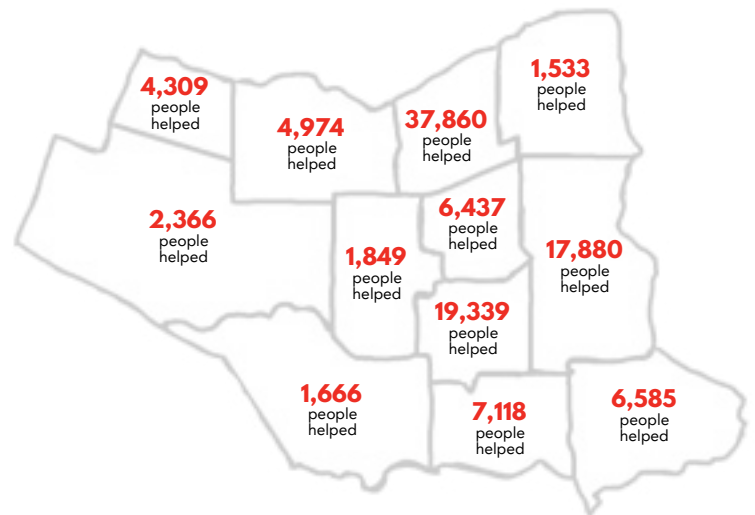

A thriving community requires a strong social safety net – one that supports every person - ensuring no one is left behind. Social issues like poverty are complex. After all, someone experiencing homelessness or food insecurity, needs more than just shelter or a meal today.

United Way investments significantly strengthen the social safety net, providing critical access to nutritious food, safe housing, stable income, and social connections. Through multi-year program funding, our Community Fund investments also play a critical role in long-term solutions.

Lifting people out of poverty for good requires all of us. The solution is beyond what any single person or organization can do alone. A strong network of agencies is critical, and our community urgently needs help.

Our vision for a thriving Niagara starts with you.
