Making an impact in every corner of Niagara

United Way
Niagara

LEADERSHIP
GIVING

Imagine what we can accomplish when we are UNITED.

Leadership Giving is one of the most impactful ways you can help ensure those in need of food, shelter, mental health support, or safety across the Niagara region can get help quickly, without waiting.

Leadership Donors are the driving force for change through United Way Niagara. By making a donation of \$1,200 or more Leadership Donors are working to meet basic, urgent needs right here in our community. Our united impact is stronger when local leaders donate to our mission.

When you support United Way with a Leadership Gift, you’re not just a donor – you play a vital role in transforming lives every single day.

What your Leadership Gift can do:

\$1,200

can provide ongoing, life-changing mentorship and support to one child.*

\$2,500

can help three at-risk youth secure housing and achieve financial stability.*

\$5,000

can provide immediate mental health support to 200+ people in crisis.*

*Examples of the impact your leadership can have based on cost of services provided by our agency partners.

LEADERSHIP
GIVING

Our UNITED impact means doing more than caring. It means stepping up. Whether by giving, volunteering, or advocating for what’s right, it means being part of a movement that believes in hope, in possibility, and in each other.

United Way invests in high-impact programs that tackle local, social issues head-on. When our neighbours and friends need help, they often require support from multiple programs to address their complex needs.

Our UNITED Impact

At a glance

12,055 emergency shelter nights provided, ensuring the safety of youth, adults and families experiencing homelessness.

24,747 crisis calls connecting people to local supports by phone help-line, providing the support and hope to people when and where it was needed most.

60,000+ hours of caseworker support provided to individuals in crisis or in need of preventative outreach.

796,033 nutritious meals provided through meal programs and emergency food supports serving people in all walks of life from children and families to seniors.

2,269 youth accessed after-school programs that gave them opportunities to learn, grow and share memorable experiences with their peers.

9,411 individuals received emotional support and crisis assistance, helping them mitigate issues that could have otherwise led towards hardship.

Your leadership gift helps achieve all of this, and so much more. Together, we can build up local communities and change lives.

“United Way funding ensures we have the dollars needed to implement our services and allows us to focus 100 per cent on what we need to do - delivering services to those in need within our community”

-Carolyn Askeland,
Happy in my Home Community Support Services Niagara
