

United Way
Niagara

Making an impact in every corner of Niagara

Imagine what we can accomplish when we are UNITED.

Making a united impact on our community means doing more than just caring for our family and hoping local issues improve. It means stepping up. Whether you give, volunteer or advocate for what is right, we want everyone to join a movement that believes in hope, possibility and in each other.

IMPACT SNAPSHOT

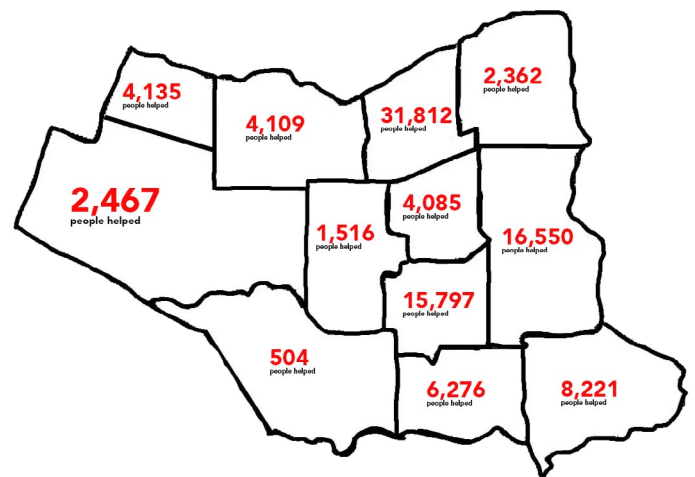

Our investments meet immediate, **basic needs** and **long-term solutions** to Niagara's biggest social issues.

United Way Niagara supports the most vulnerable people in our community by investing in life-changing programs that address Niagara's largest social issues. United Way Niagara provides stable, multi-year funding to agencies, and connects people with resources working towards long-term solutions.

Our investments positively transform the lives of thousands of people across Niagara - but we can't make change alone. United Way exists to ensure the programs people rely on continue running, without interruption. We want local people in need to know that when they need food, shelter, mental health support, or safety, they can get help quickly, when it's needed. We hope you will join our mission to improve local lives and create a thriving Niagara.

Together we can make a UNITED impact.
